

## Notice of Public Consultation Stewardship Plan Renewals

---

### BC Lamps & Lighting Equipment (LightRecycle) & BC Paint & Household Hazardous Waste (PaintRecycle)

---

Product Care Association of Canada (PCA) will be holding public consultations regarding amendments to the **BC Lamps & Lighting Equipment (LightRecycle)** and the **BC Paint and Household Hazardous Waste (PaintRecycle)** stewardship plans for the period 2017 to 2021. In-person consultations will be held on Wednesday, October 18, 2016 at 5:00pm at the Coast Waste Management Association conference, [Westin Bear Mountain](#) in Victoria, BC.

The BC LightRecycle Plan is the approved product stewardship program for all lamp, fixture and ballast waste in British Columbia. The current stewardship plan, which expires in 2017, was developed by PCA and approved by the BC Ministry of Environment in 2012.

The BC PaintRecycle Plan is the approved product stewardship program for paint and household hazardous waste in British Columbia. The current stewardship plan, which expires in 2017, was also developed by PCA and approved by the BC Ministry of Environment in 2012.

Both stewardship programs are managed and operated by PCA pursuant to the [BC Recycling Regulation](#).

You are invited to participate in consultations on the new proposed plan targets for both programs. The following is the scheduled consultation date:

Date: Wednesday, October 19, 2016

Time: 5:00pm – 6:00pm PST

Location: Langford Room, Westin Bear Mountain, Victoria BC

Further webinar consultations will be held in early 2017 for both programs.

The deadline for written comments is March 3, 2017 for LightRecycle and April 14, 2017 for PaintRecycle. Please submit written comments by email to [daniel@productcare.org](mailto:daniel@productcare.org) (LightRecycle) and [kwong@productcare.org](mailto:kwong@productcare.org) (PaintRecycle), or by mail to:
