

Green Gift Wrap Guide

Wrapping materials make up a big part of our holiday waste - here are some fun alternatives to keep things festive and sustainable.

Don't forget: Wrapping paper, paper gift bags, and tissue are all recyclable with your paper recycling (minus glitter and foil!).

Choose Reuse

Cloth bags are both festive and practical, choose options that would make good grocery or lunch bags.

Vintage maps are clourful and perfect for the globetrotters in your life.

Get Crafty

Seasonal **pictures** on paper bags make great gift wrap, and make a fun and festive craft acitivity for kids!

Add a Bonus

Two gifts are better than one! Try using a scarf, fun kitchen towel, backpack, or even clothing items to wrap other gifts.

Go Natural

Natural objects like pinecones and pressed flowers go a long way to creating a beautiful gift.

Choose **biodegradable** packing materials like plain popcorn or fabric to cushion gifts in boxes.
